

## Ancient Israelite ABC book

**Directions:** We will be making an ABC picture and information book about the ancient Israelites. You will need to come up with a word for every letter of the alphabet and then you will write 3-5 full sentences about each word and draw a picture to go along with it. We will be putting this together to look like a Torah which is the sacred text of Jewish people. The book is written opposite to what we know- from right to left. See the example for details and use the handout below to help keep track of your words and sentences. **This is a 140 point project: 3 points for the sentences, 1 point for the letter and word and 1 point for the colored picture. 10 points for the Torah cover.**

Resources to Use: Use your textbook to find words. **DO NOT** use a word for two different letters like Torah for T and Bible for B.

**Be careful when using this link- make sure it can relate to the ancient Israelites NOT modern Jewish people or Judaism!**

Write your words and sentences in your notebook, when your sentences have been peer edited and revised then start to transfer them on the paper for the Torah like book:

Letter	Word	Sentences
A	Abraham	He led his family to Caanan. Abraham's son was Isaac who had a son named Jacob who had 12 children. His great grandchildren became leaders of the 12 tribes of the israelites.
B	Bible	The bible is in the Torah which is 5 sections or

		<b>portions. They state important events in jewish history.They are helpful laws.</b>
